# VILLA BASSIN ST TROPEZ

Perched on the side of a breathtaking mountain with a commanding view of the bay of Saint Tropez, luxury villa Bassin puts comfort and privacy into the palm of your hand.

This 8 bedroom, 8 bathroom contemporary villa is a striking contrast to the rugged beauty of the bay of St Tropez it resides on, and both the interior and exterior are of a perfect balance of artistic mastery and unparalleled comfort.

Outside, the impressive architecture of the house, sunny terrace, gorgeous swimming pool, and barbecue area provide you with a perfect outdoor space for enjoying the views and weather of St Tropez

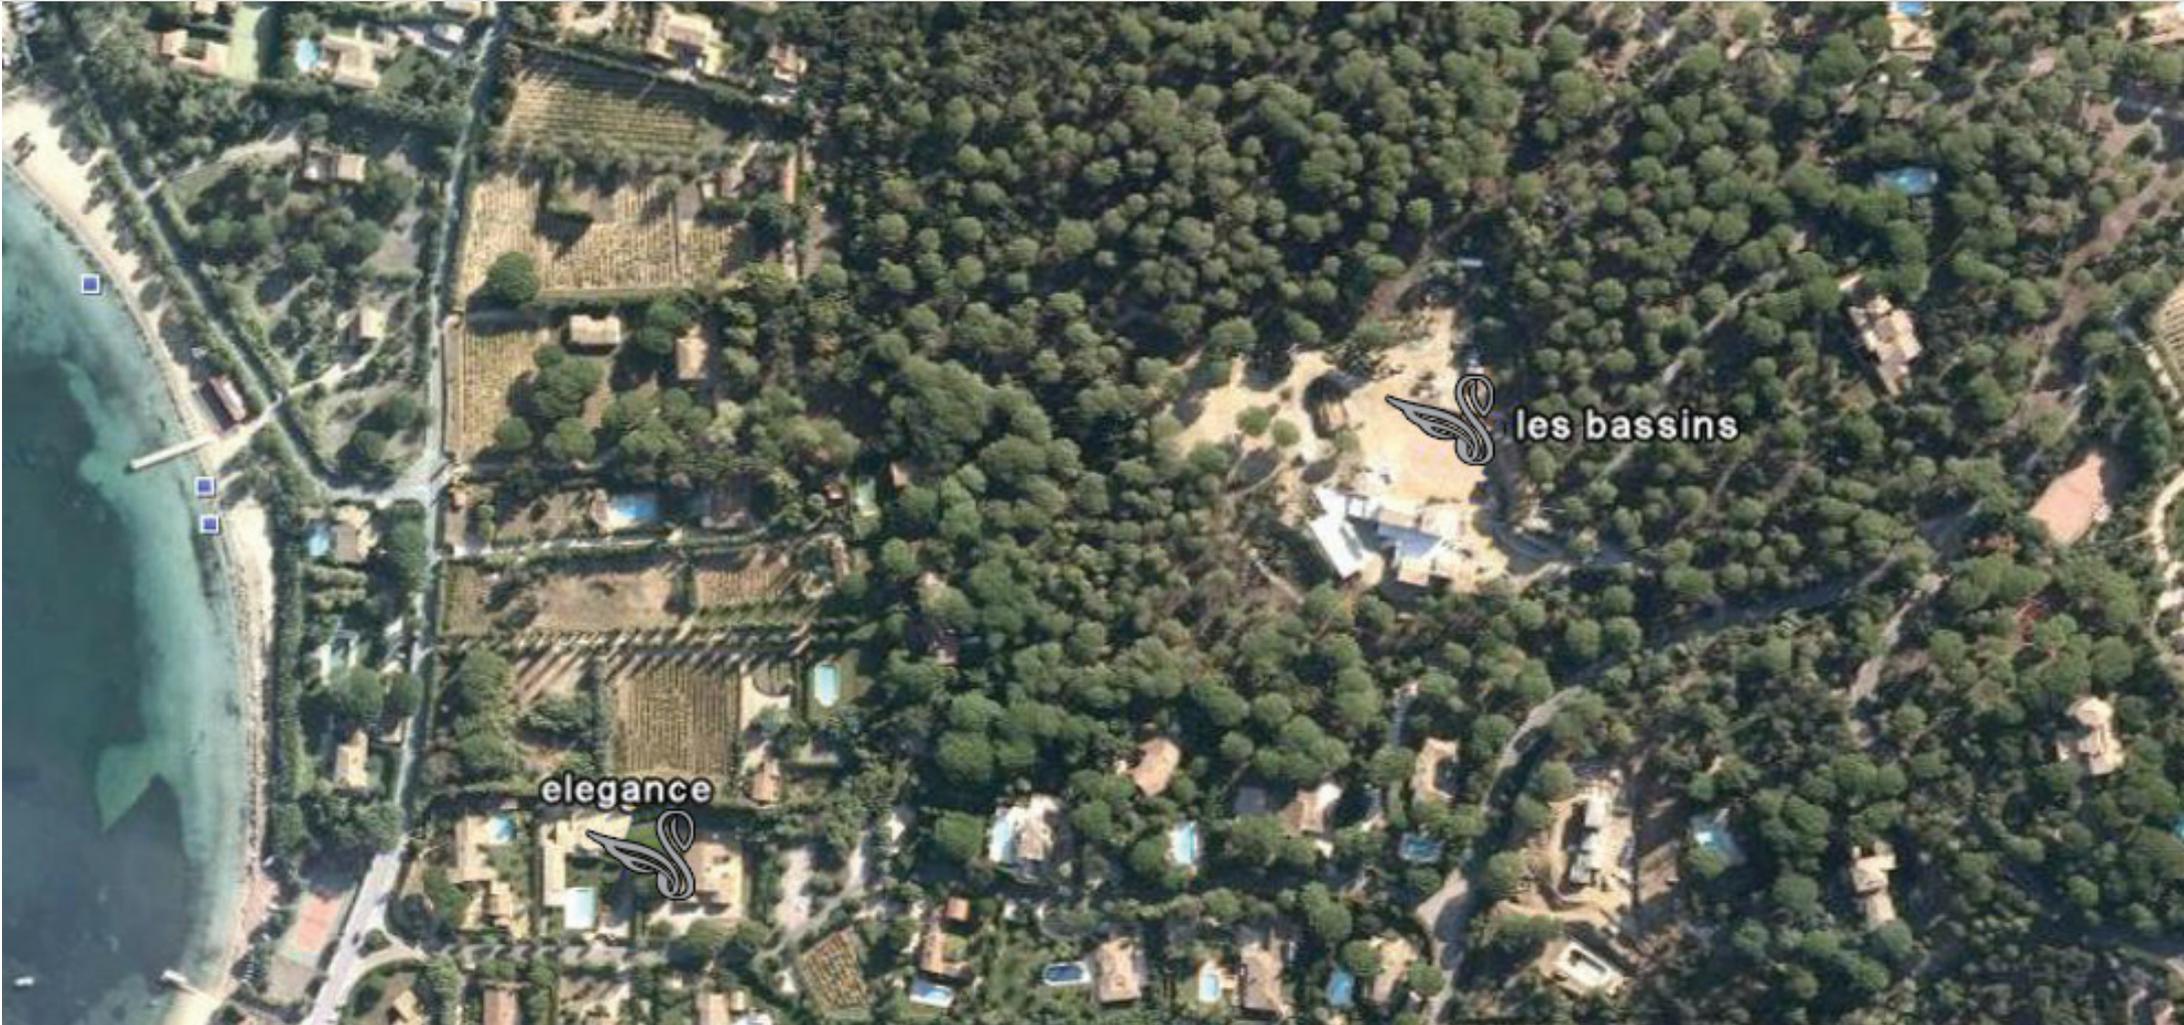

Inside, every turn reveals a fascinating design feature the luxury villa, from its state of the art, open kitchen with black granite appointments to its accommodating dining area, which seats 20 people and overlooks a spectacular pool in the central atrium of the house. Luxury villa Bassin is the perfect Tropezian paradise!
