VILLA ST HILAIRE ST TROPEZ

Located in the Quartier des Marres in St Tropez, the luxury villa St Hilaire is located 5 minutes from the famous Place des Lices and overlooks breathtaking views of the St Tropez landscape and sea.

The exterior of the house is adorned in a multitude of traditional, ornate accoutrements, such as beautiful stonework, sculpted arches, and meandering terraces. The garden, terrace area, and landscaping is truly inviting, featuring a swimming pool, Jacuzzi and a lovely pergola patio which looks out across the hills and the valleys of the French Riviera.

Inside, each room boasts heirloom quality furnishing in rich, dark woods, which complement the bright sunny rooms. The bathrooms are well appointed as well with marble bathtubs, showers and walls. The kitchen is accommodating, and features fine appointments and plenty of room for dining in an intimate setting or for throwing parties and gala events. Luxury villa St. Hilaire truly captures the traditional spirit of St. Tropez.
