VILLA L'OLIVE CAPRI

Luxury Villa Olive lays in Anacapri, a 10 minute walk from the main square, near the shopping district and the famous Blue Grotto. It lies in the characteristic area of the town of Anacapri known as Le Boffe, with its many ancient little houses and charming squares. The private villa's position allows you to enjoy fantastic views out over the Mediterranean and towards the islands' most exclusive areas and luxury private properties. L'Olive is immersed in lush, colourful Mediterranean vegetation, surrounded by gardens and terraces planted with olive trees and colourful flowers.

As soon as you enter the entrance gate, you are struck by the whiteness of the roof and its skylights, which give the villa an oriental inspired appearance. The entire property, including the garden and all outdoor spaces, is situated on four levels.

The luxury villa's swimming pool is set on a garden terrace and its secluded position allows you to enjoy wonderfully undisturbed views.
