

SERENDIPITY VILLAS

This stunning, two-story luxury property has direct access from the main coastal road.

The Villa was entirely rebuilt and transformed into a modern and luxurious residence with utmost care. The villa's location, its furniture and facilities are of extremely high standard. Many details are designer items from Dolce & Gabbana and Philippe Starck to name two as the property is a beautiful mix between modern and antique and period furniture.

The Villa Pompea features 4 suites each differing in style and color and all with, private en-suite bath. One of the suites accesses a private, super-panoramic terrace furnished with couches and sun lounge chairs.
